PICNIC

This summer if you're off to Glynebourne, or off to watch the cricket, or cheering on the boat crews, or maybe you want to treat a friend or two, or just sit back and relax in the park then we have a range of picnics to suit the occasion. Orders can be collected from our Primrose Hill shop, or we can arrange delivery within London. Each picnic is packed in our very collectable PICNIC canvas bag, with eco-friendly plates, cutlery, cups and napkins.

Vegetarian alternatives are available. Bespoke picnics can be arranged for larger groups of people. For further information please call the shop on 020 7722 0011.
